|   | <input type="checkbox"/> Hood and Duct Systems   |

I, the undersigned, acknowledge that expedited plan review is voluntary on my part and also on the part of the plan review technician. However, once accepted, the plan review should be completed **within 10 working days**. Plans submitted under the expedited process will continue in that process through final approval. Expedited fees are **due and payable each time** the plan is submitted, including **every resubmittal**.
